Continuation of Substance of Interview including description of the general nature of what was discussed: A message was left with the receptionist at Samuels, Gauthier and Stevens, LLP, to ascertain the name of the attorney currently prosecuting the instant application. It was indicated that no response was received with regard to the previous Office Action. As such, the case was technically abandoned, and confirmation of the status of the case was sought. No return phone call was received regarding the instant case, and it was presumed that the no response was filed and that the case was abandoned. ;
